PAR 3 JUNIOR PROGRAM

Our PAR 3 Junior Program is for junior golfers ages 8-12. This program is designed to teach juniors the basics of golf (grip, aim, stance, and posture). We will provide them with the instruction and confidence to learn the game of golf. This program is designed for juniors new to the game, who are not prepared for the golf course. We teach the juniors how to practice to improve their golf skills, and in five days give them a basic idea of the game of golf.
